

Although his song was written a long time ago, twenty-one years before I met this lovely group of believers, I'd like to dedicate this song to the Christian Home Builders of Harden Park United Methodist Church.

These gentle older saints of God have been together for over 50 years as a Sunday School Class that began during the WWII era when they were all young Christians desiring to raise up another Godly generation.

These dear believers gave the 151st their first opportunity to minister outside of their local church. It really blessed the group that at the end of every time together, they form a large circle and hold hands and pray the Numbers 6:24-29 blessing over each other. God be with you until we meet again. Anytime you'll have us, we'll come and sing for you and our Lord.

Benediction
