

The whole concept of "God as Father" is not a good one for those of us with less than ideal relationships with our earthly dads.

However, one day as I was worshipping at my piano -- as well as mourning how I wish it could have been with my earthly father — and contemplating how I felt I was missing something in my relationship with God because of a lack of understanding of this "Father aspect" of God, when God spoke to my heart: "It can be and is." As healing and peace washed over me, the Holy Spirit gave me the revelation of God as father, and I wrote this song over the next couple of days.

 You've designed all the flowers and you can hold an ocean in your hand.

**C maj7** **Fmaj7**  
 The clouds are the dust of your feet. The winds blow at your command.

**Dm7** **G6** **Am** **F**  
 Yet, I cannot comprehend just how great you are ... for you've raised up and brought down  
**Gsus** **G**  
 empires and you've hung the farthest star!

**Cmaj7** **Fmaj7** **Cmaj7** **Fmaj7**  
 And you're my father the one I come to ... Father, the one I run to  
**Dm** **Em** **F** **Gsus** **G**  
 when I need to be told, "Child, I have everything under control."

**C maj7** **Fmaj7**  
 I just refuse to worry or ever lose the faith,  
**C maj7** **Fmaj7**  
 or focus on the world - the tragedy of our day.

**Dm7** **G6** **Am**  
 I'll just look for your grace wherever pain abounds,  
**F** **Gsus** **G**  
 and rest in the knowledge of the peace that I have found.

**Cmaj7** **Fmaj7** **Cmaj7** **Fmaj7**  
 In my father the one I come to ... Father, the one I run to  
**Dm** **Em** **F** **Gsus** **G**  
 when I need to be told, "Child, I have everything under control."

**C maj7** **Fmaj7**  
 I don't need to know the future for I know it's in your hands.

**C maj7** **Fmaj7**  
 Everything will work out for my good in your eternal plan.

**Dm7** **G6** **Am**  
 For your mercy is everlasting and your faithfulness is clear.

**Fmaj7** **Gsus** **G**  
 So I will only worry when rainbows disappear!

**Cmaj7 Fmaj7 Cmaj7 Fmaj7**  
 'Cause you're my father the one I come to ... Father, the one I run to  
**Dm Em F Gsus G**  
 when I need to be told, "Child, I have everything under control."

**Cmaj Fmaj7 Cmaj Fmaj7**  
 And you're my father the one I come to ... Father, the one I run to
